Daubert Cromwell Expands ‘Quick Ship’ Online Store With More VCI Packaging Choices

ALSIP, IL – Metalworking companies needing corrosion inhibitor (VCI) packaging fast have more choices on Daubert Cromwell’s newly expanded, online Quick Ship store. The web-based program has more than 40 of the company’s most popular VCI paper wraps, poly bags, emitters, and rust preventive surface-applied liquids, plus a water-based rust remover. Every Quick Ship item is available for same-day shipping.

Speed, convenience and simplicity have made Daubert Cromwell’s [Quick Ship](#) program the go-to resource for industrial, corrosion-preventive packaging since it began in 2017. The selection has since grown to offer a complete line of protective packaging for all kinds of metals. Now refreshed again for 2024, Quick Ship has even more of what metalworking customers need, quickly, in the quantities they need, and all payable simply by credit card.

The expanded product line includes:

- [VCI poly bags](#) in their most-requested styles, sizes, and quantities;
- [VCI paper](#) in narrow width, short length rolls; [pre-cut sheets](#) for fast and convenient wrapping;
- [Military-approved VCI paper](#) (Mil-PRF-3420)
- [Anti-tarnish paper](#) for [copper](#) and [silver](#), as specified by automotive and aerospace OEMs and their suppliers;
- Most popular, OEM-specified rust preventive liquids in [5-gal. pails](#) and 11 oz. [aerosol cans](#).
- Water-based, pH neutral, reusable, [rust removing liquid](#).

To order, simply go to <https://daubercromwell.com/quick-ship/>. Sort by type of metal needing VCI protection, or by packaging product preference. Orders received before noon CST will ship the same day; orders received after noon will ship the next business day. All major credit cards are accepted.

For information about all of Daubert Cromwell’s VCI packaging products, and help selecting the right product for a specific shipping or storage requirement, see www.daubercromwell.com or call 800-535-3535.
