## **Daubert Cromwell Appoints New Director of Asia Business Development**

ALSIP, IL USA-- Daubert Cromwell, a global manufacturer of corrosion inhibitors and protective packaging for industry, announces Polly Huang as Director – Asia Sales, Marketing & Business Development. With 13 years of company sales and management experience, Polly now has responsibility for growing the overall line of proprietary VCI packaging and rust preventive liquids business in Asia.

Polly has a long history of success with Daubert Cromwell, first as the country manager for China and then as Managing Director, Daubert China. She started by first supplying much needed VCI packaging to customers in China, then built and operated a state-of-the-art VCI film extrusion facility in Shanghai to support that business. The sales, operations, and finance teams she assembled continue to provide a comprehensive line of VCI products to the largest companies in automotive, heavy equipment manufacturing, and all types of metal fabricators.

In her new role, Polly will help develop and implement activities of Daubert Cromwell LLC and its subsidiaries. She is on the committee of senior management that determines strategic direction for the corporation. She reports directly to President and CEO Martin Simpson.

“Polly has extensive experience in sourcing and will continue to collaborate with suppliers and service providers in China and throughout Asia in support of our global business objectives,” Simpson explained. “Our managers in Daubert China will have access to Polly’s vast experience in China and she will be a valuable resource as we continue our growth and support of our customers in that market.”

To contact Polly direct in Taiwan, email [phuang@daubertcromwell.com](mailto:phuang@daubertcromwell.com). For further information about Daubert Cromwell or its products, see [www.daubertcromwell.com](http://www.daubertcromwell.com) or call 800-535-3535; +1-708-293-7750.
