Daubert Cromwell Names National Sales Manager

ALSIP, IL – Global manufacturer Daubert Cromwell, leading provider of anti-corrosion packaging for industry, has named Tony Siebert to the position of National Sales Manager.

Siebert, of Dixon, IL, joined Daubert Cromwell in 2018 as Technical Sales Manager-Midwest, solving corrosion problems for metalworking customers in nine states. He has more than 20 years of sales and territory management experience, earning numerous awards for exceeding annual sales and profitability goals.

In this new position, he will be responsible to develop grow Daubert Cromwell sales in the US and Canada by executing sales plans for the complete product line of volatile corrosion inhibitor (VCI) packaging and rust preventive liquids, managing a remote workforce of Technical Sales Managers to meet company goals.

Since graduating from the University of Illinois, Siebert has also held sales positions at companies in Midwest metals markets, and at a major industrial distributor. He can be reached direct at tsiebert@daubercromwell.com.

For further information about Daubert Cromwell and its VCI packaging products and rust preventive liquids for industry, see www.daubercromwell.com or call 800-535-3535.

About Daubert Cromwell
